MANAGEMENT CONSULTING FOR MINISTRIES

Christian Ministries need access to
high-quality Management Consulting Services

Cornerstone was started by **seasoned consultants** who have run management consulting firms, and have a heart for working full-time to help
medium to large Evangelical Christian Ministries
become more efficient and even more importantly... **Effective!**

Some of the Ministries we have worked with:

- ❖ Association of Christian Schools International (ACSI)
- ❖ Compassion International
 - ❖ Word of Life Fellowship
 - ❖ Focus on the Family
 - ❖ Baptist Bible College

We have filed to be a **501(c)(3) Tax Deductible Ministry**. We rely on your support so that *together* we can help Christian Ministries achieve their potential to serve and reach as many people for Christ as possible.

Through **Corporate Partnerships, Individual Gifts, and Foundation Grants, GOD** can make a difference using **US**.
